Pen & Wash (also known as Line & Wash) is a watercolour technique that combines a line drawing with a watercolour painting. Since a lot of the structure of the painting is established by the line drawing itself, often all that is needed from the paint is a little wash of colour - hence the name, Pen & Wash.

During this course of eight weeks, we will cover a variety of subjects and techniques using pencils, pen and pen & watercolour. You will learn the different pen strokes, shading and how to apply the watercolour.

Suitable for Beginners & those with some experience (over 16 years)
