Watercolour is a very tactical way of composing and painting a picture no matter what the subject, with a lot to consider before you put brush and colour to paper.

Whether you are used to painting with transparent watercolours or you are tempted to try something challenging but very rewarding as a painting medium; you are welcome to join our mixed class of intermediate to advanced painters.

*Choosing your paper and brushes, using mediums like masking fluid, learning to isolate your wet and dry areas, laying down washes and learning to compose your picture. These are all steps in discovering the unique medium of Watercolour.*

*A materials list will be sent on enrolment*

**SUITABLE for INTERMEDIATE to ADVANCED LEVEL** (over 16 years)

**Course Code: WDS T4**
