Pen & Wash (also known as Line & Wash) is a watercolour technique that combines a line drawing with a watercolour painting. Since a lot of the structure of the painting is established by the line drawing itself, often all that is needed from the paint is a little wash of colour - hence the name, Pen & Wash.

This course of eight weeks is for beginners and students who have previously attended the Pen & Wash classes. We will cover a variety of subjects and techniques using pencils, pen and pen & watercolour.

Suitable for all Levels (over 16 years)
